

Matteo Poli

Senior Frontend Developer

Besozzo (VA), Italy · matteo-poli.com · matteo.poli4@gmail.com · +39 377 306 6802

PROFILE

Frontend developer with around 8 years of experience, specialized in React and TypeScript. Experienced across the full development lifecycle of complex web platforms, from frontend architecture to backend service integration. Daily use of AI tools to speed up development — spec-driven development with Spec Kit, OpenSpec and GSD, implementation assisted by Claude Code — while keeping full control over the code.

EXPERIENCE

Frontend Developer · Coverzen Milano Apr 2024 – Present
Insurance brokerage platform. Development of the entire platform frontend in React and TypeScript, working as a freelancer.

Frontend Developer · KNOBS Milano Apr 2022 – Apr 2024
